

HELP SHEET HOW TO CHOOSE YOUR COVER EXTENSION?

The main destination country determines the **zone of cover** in which the **benefits can be claimed**.

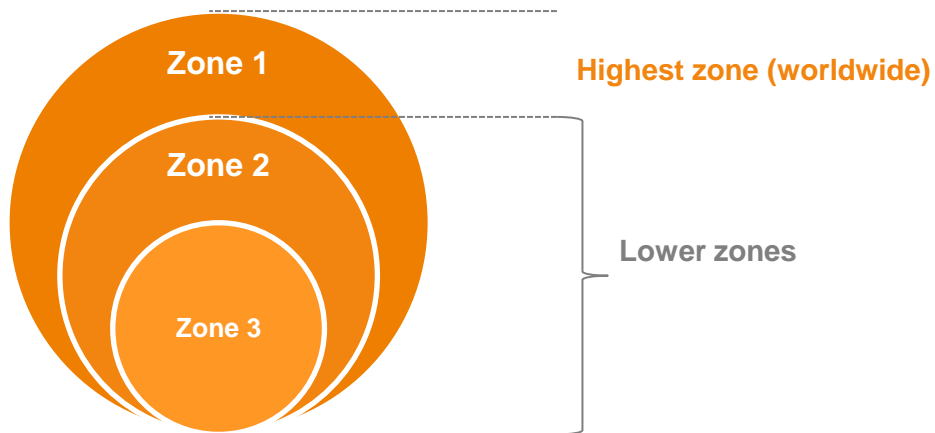

There are 3 cover zones in the **MyStudies Cover** and **MyTravel Cover** plans:

Zone 1 : Worldwide including the United States

Zone 2 : Worldwide excluding the United States

Zone 3 : Worldwide excluding Canada, China, Hong Kong, Mexico, Monaco, United Kingdom, United States, Russia, Singapore and Switzerland

The benefits provided under the plan can be claimed in the zone where the **main destination country** is located as well as **in the lower zones**. When calculating the price, you can extend the cover to a higher zone.

Good to know :

The insured is covered outside his zone of cover in the event of an accident or medical emergency (with presentation of the medical certificate) during a cumulative total of 30 days over the whole period of cover, with the exception of excluded countries. The list of excluded countries is liable to change.
